PRODUCT CATALOGUE · 2027 SEASON

Small-group sailing, wherever the water is *warm*.

Seven nights. One boat. Four to eight guests. Everything arranged — the route, the moorings, the meals, the captain. Our guests only choose the week and who they bring with them.

MEDITERRANEAN CARIBBEAN INDIAN OCEAN SOUTHEAST ASIA

THE PRODUCT

A week aboard, fully hosted

Mālā Sail Charters is a small-group sailing venue. We take one crewed yacht, one professional captain and a handful of guests, and turn a route into a week that feels curated rather than booked — a floating boutique with organic amenities and no crowds.

01

Small groups

From 4 to 8 guests on board, depending on the yacht. Double-occupancy cabins, with the option of a single-occupancy cabin for those who want the space to themselves.

02

Everything organised

Boat, itinerary, safety and logistics handled for you. Breakfast to sunset, the week is set up before you step aboard — down to the specialty coffee that starts the day gently.

03

Authentic experiences

Slower days, real anchorages, local food and stories under the sun — occasionally alongside guest hosts and facilitators who bring their own craft on board.
