FOR CREATORS & FACILITATORS

Host your own Mālā week

You have a community that trusts you. We have the boat, the captain and the sea. Bring a small group from your audience and host the week your way — a retreat, a reset, a content trip, or simply a week at sea with your people.

- **Your cabin is free** — the whole week aboard, for you and your partner, yacht and crew covered.
- **Your fee is 100% yours** — you set the price for your group.
- **You pick the destination and the dates** — we confirm the yacht and publish your week, with your name on it.
- **Deposits start at five** — as soon as five of your guests are interested, each one is asked for their 30% deposit and the week is confirmed.
- **We handle everything else** — boat, captain, route, safety and the content of the whole week.

THE PRODUCT

A week aboard, fully crewed

Mālā Sail Charters is a small-group sailing venue. You bring the group; we put one crewed yacht and one professional captain around it and turn a route into a week that feels curated rather than booked — a floating boutique with organic amenities and no crowds.

01

Small groups

Five or six guests on board — small enough to feel like a private trip, big enough to feel like a party. Double-occupancy cabins, with the option of a single-occupancy cabin for those who want the space to themselves.

02

Everything organised

Boat, itinerary, safety and logistics handled for you. The route is planned, the anchorages chosen and the yacht ready before you step aboard — you only pack and arrive.

03

Authentic experiences

Slower days, real anchorages and long swims — the weeks are often hosted by creators, facilitators and retreat leaders who bring their own community aboard.

DESTINATIONS

Seven weeks, four waters
